YEAR 1	MONDAY	FRIDAY
YEAR 2	WEDNESDAY	FRIDAY
YEAR 3	MONDAY	FRIDAY
YEAR 4	WEDNESDAY	FRIDAY
YEAR 5	TUESDAY	FRIDAY
YEAR 6	TUESDAY	FRIDAY

OTHER ANNOUNCEMENTS

Parents Evening (10th and 12th November)

Parents' Evening bookings are now closed and you can check your appointment time by logging into your Arbor account. We recommend that you arrive ten minutes prior to your appointment to view your child's work books and you will then be called through for your meeting. If you can no longer make your meeting please advise the school office as soon as possible. Please note that ASC is full on both days; we are operating a wiating list so if you no longer require your place then please let us know.

Children in Need

Next Friday 13th November is Children in Need day! The school council have chosen to support this by offering the children the chance to come to school in non-uniform in exchange for a donation on Just Giving. We await this and will issue this link next week. We encourage wearing yellow and spots to represent Pudsey if possible. The children will also be working on a collaborative art project as a class and learning about how Children in Need supports children in projects around the world.

Cut Your Carbon Month!

In November, we will be taking part in the 'Cut Your Carbon' challenge organised by Eco-Schools. Throughout November, we're challenging everyone to complete 9 small carbon cutting activities at home. These actions will help to reduce our own daily carbon footprints and at the end of the month we will tally up the results and calculate how much carbon we have collectively saved!

Please use the Cut Your Carbon checklist 2026 to log your own carbon saving and return to school at the beginning of December so that we can total our whole school impact.

Thank you in advance for all your support!

Arbor payments

We are pleased to announce that you will now be able to make Arbor payments using Apple Pay and Google Pay.

PTA Grotto Donations

The PTA grotto is running the 23rd-27th November and they have requested donations of Christmas wrapping paper and cellotape. Please drop any donations to the School Office.

If you would like to help to volunteer for the grotto please reach out to them via eatonpta@gmail.com and you can also be added to their PTA Whatsapp group.

Christmas Show Tickets

We are pleased to confirm that we have added an extra performance for each Christmas show this year. This means that every family will have the opportunity to book two tickets to watch their child perform.

As we no longer have School Cloud we will be adopting a new ticket booking procedure with a dedicated email address for each show. To ensure a fair booking process for all families, the dedicated booking email addresses and full ticket booking information will be sent out on Monday 9th November at 8am.

Ticket requests will only be accepted via these email addresses and will be processed in the order they are received. The school office will not take bookings via the school office email address, over the telephone, or in-person. This is to ensure that orders are processed in date order.

Please note:

- Each family may book up to two tickets. If you are a multi-household family, please be mindful and only book one ticket per legal guardian. If you have multiple children in the same show, you will still be entitled to two tickets per family, not per child. Young siblings who will be sitting on a parent's lap do not require a ticket.
- On 23rd November we will review numbers and if there is space we will open bookings for a third ticket.
- We will not be issuing paper tickets this year and will instead operate a register. Upon arrival you will advise us of your child's name and we will tick off those arriving. If you are from a multi-household family we will note the name of the parent who booked the ticket to ensure it is allocated correctly.
- Each performance is expected to last around 40 minutes.
- Due to unforeseen circumstances, the Winter Music Showcase has been postponed. We will share a new date with families as soon as arrangements have been confirmed.

Reception & Year 1 Christmas Nativity
Wednesday 2nd December at 9:30am (Doors 9:00am)
Thursday 3rd December at 9:30am (Doors 9:00am)

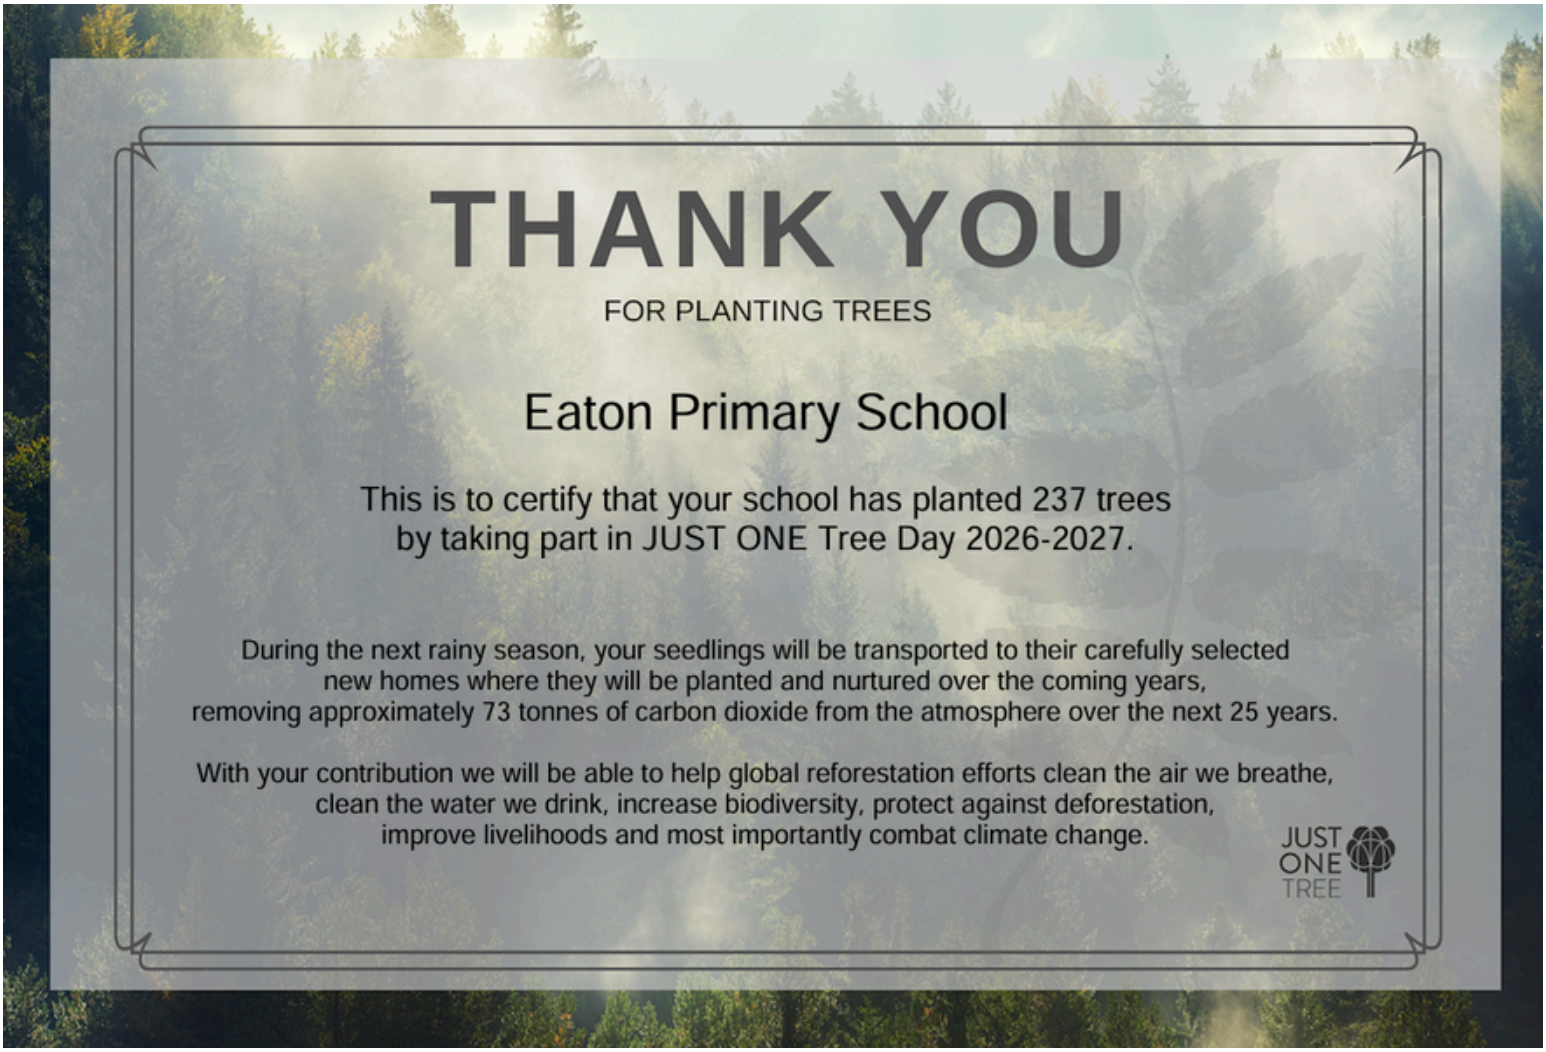

Year 2 & Year 3 Christmas Concert
Monday 30th November at 9:15am (Doors 9am)
Monday 30th November at 2:30pm (Doors 2:15pm)

Year 4 & Year 5 Christmas Concert
Monday 7th December at 9:15am (Doors 9am)
Monday 7th December at 2:30pm (Doors 2:15pm)

Please note that Year 6 will not be part of a Christmas Concert as they will perform their show in the summer term.

JUST ONE Tree Day

A big thank you to everyone who donated on our non-uniform day to raise money for the Just One Tree charity!

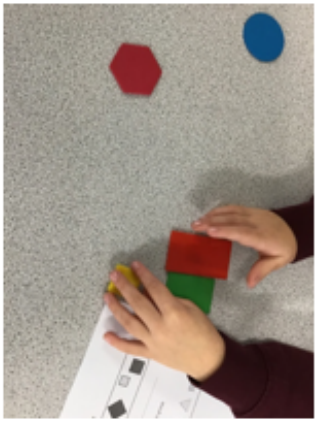

LEARNING AT EATON

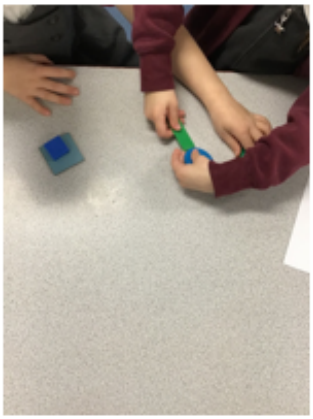

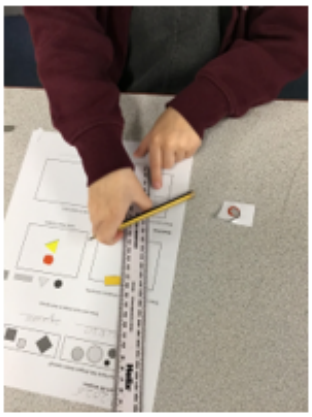

YEAR 1

This week Year 1 have been learning about shape in Maths. We have revisited the names of basic 2D shapes, and we have been learning about the properties of 2D shapes. Our first challenge was to sort shapes based on their properties. The children did an excellent job of explaining why they had grouped shapes together. The children have also been practising using rulers to draw shapes with straight sides. Can your child describe a 2D shape to you?

We have also started practising all of the songs for our Christmas Nativity performancse on 2^{n} and 3rd^{d} December - the children sound great! Thank you to everyone who has spent time over the half term break learning the speaking parts with your children.
